## § 1415.8

been leased or is owned by someone other than the prospective GRP participant may be offered for participation in the program. However, if an applicant submits an offer for an easement project, USDA will assess the potential impact that the third party rights may have upon the grassland resources. USDA reserves the right to deny funding for any application where there are exceptions to clear title on any property.

### § 1415.6 Participant eligibility.

To be eligible to participate in GRP an applicant:

- (a) Must be a landowner for easement participation or be a landowner or have general control of the eligible acreage being offered for rental agreement participation;
- (b) Agree to provide such information to USDA that the Department deems necessary or desirable to assist in its determination of eligibility for program benefits and for other program implementation purposes;
- (c) Meet the Adjusted Gross Income requirements in 7 CFR part 1400; and
- (d) Meet the conservation compliance requirements found in 7 CFR part 12.

### § 1415.7 Application procedures.

(a) Any owner or operator or tenant of eligible land that meets the criteria set forth in §1415.6 of this part may submit an application through a USDA Service Center for participation in the GRP. Applications are accepted throughout the year.

(b) By filing an Application for Participation, the applicant consents to a USDA representative entering upon the land offered for enrollment for purposes of assessing the grassland functions and values and for other activities that are necessary for the USDA to make an offer of enrollment. Generally, the applicant will be notified prior to a USDA representative entering upon their property.

(c) Applicants submit applications that identify the duration of the easement or rental agreement for which they seek to enroll their land. Rental agreements may be for 10-years, 15-years, 20-years, or 30-years; easements may be for 30-years, permanent, or for

the maximum duration authorized by State law.

### § 1415.8 Establishing priority for enrollment of properties.

(a) USDA, at the national level, will provide to USDA offices at the State level, broad national guidelines for establishing State specific project selection criteria.

(b) USDA, at the State level, with advice from the State technical committee, establishes criteria to evaluate and rank applications for easement and rental agreement enrollment following the guidance established in paragraph (a) of this section.

(c) Ranking criteria will emphasize support for:

- (1) Native and naturalized grassland;
- (2) Protection of grassland from the threat of conversion;
- (3) Support for grazing operations; and
- (4) Maintenance and improvement of plant and animal biodiversity.

(d) When funding is available, USDA, at the State level, will periodically select for funding the highest ranked applications based on applicant and land eligibility and the State-developed ranking criteria.

(e) States may utilize one or more ranking pools, including a pool for special project consideration such as establishing a pool for projects that receive restoration funding from non-USDA sources.

(f) The USDA, with advice from the State technical committee, may emphasize enrollment of unique grasslands or specific geographic areas of the State.

(g) The FSA State Executive Director and NRCS State Conservationist, with advice from the State technical committee, will select applications for funding.

(h) If available funds are insufficient to accept the highest ranked application, and the applicant is not interested in reducing the acres offered to match available funding, USDA may select a lower ranked application that can be fully funded. Applicants may choose to change the duration of the easement or agreement or reduce acreage amount offered if the application ranking score is not reduced below that
